

Are you tired of the stories about men struggling with pornography, marriages falling apart and men walking away from the local church?

There is a growing crisis of integrity among Canadian men. Our homes, workplaces and even our churches are feeling the effect. Recent studies show that men make up less than 40 percent of adults in most churches, and 20 to 25 percent of married churchgoing women attend without their husbands.

How did a movement that began with twelve men lose the interest of men?

Discipleship Training Unleashed

MENTORING MEN TO
Leave No Man Behind

What is Discipleship Training Unleashed?

Watching God set men free to be who he designed them to be is a supernatural adventure and a battle worth fighting!

If a man is going to live out his God ordained design of godly manhood, he must be fathered, mentored, coached, and discipled to take back and claim his own heart as a man. He needs others to show him his role and location in the battle. He must fight alongside a spiritually mature man to learn how to be effective in this spiritual war:

This is God's pattern; Jesus demonstrated this with his own disciples.

*This is God's pattern -
a full and abundant life*

- In depth training to energize your faith and help you discover the **freedom and courage** to live dangerously for God.
- **4 unique modules** that together equal 100 hours of discipleship training. Taken separately, each module is designed to equip you from God's Word in one of the key areas that define a man:

4

- MODULE 1: Biblical Manhood
- MODULE 2: Sexual Purity
- MODULE 3: Husbanding
- MODULE 4: Fathering

- One on One **leadership coaching** from experienced and wise men of God
- **Peer mentoring** with other men on the same journey as you are.
- A **smaller more focused** event - limited to approximately 50 participants with small groups of up to only 8 - participants build meaningful relationships with each other and with the Promise Keepers Canada leaders.

■ **Pastors:** We understand the importance for pastors to disciple men in their church and grow in their own understanding of godly manhood. For this reason we encourage you to come with the men from your sphere of influence; to pour your life into them and to let them pour their lives into yours.

Please contact us and we would be more than happy to discuss how Discipleship Training Unleashed and other resources from Promise Keepers Canada can help you minister to the men in your church.

*Following the model of Jesus
to be disciple makers.*
